

25X1

REVISIONS TO

25X1

Policy:

Add to (3)(a): Add the following words after the end of the first sentence: ... except as modified elsewhere in this regulation.

*if possible*  
Add (3)(i): All construction, purchase or lease actions shall ~~include~~ a requirement that adequate parking be included in the transaction as an element of cost or as a separate option. Adequate parking is defined as sufficient parking to ensure 100 percent efficiency of the Agency work force to be located in the facility and such other spaces as may be determined necessary.

Add to (5)(a)(1): Add the following words after the words "purchase price:" "including the cost of acquiring adequate employee parking facilities."
